

Electrical safety Instructions (ESIs) Low voltage

Number	Title	NL	ENG
ESI-001	Lock-out/Tag-out procedure for low voltage installations.	Yes	Yes
ESI-002	Measure and test of an LS-cable.	Yes	Yes
ESI-003	Selecting and cutting low-voltage cables (under editing).	Yes	Yes
ESI-004	Safely placing, removing or leaving recording measurement equipment (under editing).	Yes	Yes
ESI-005	Working on or near battery packs (under editing).	Yes	Yes
ESI-006	Replacing energized low voltage cables (under editing).	Yes	Yes

Electrical safety Instructions (ESIs) High voltage

Number	Title	NL	ENG
ESI-100	Lock-out/Tag-out procedure for high voltage installations.	Yes	Yes
ESI-101	Dealing with the bay blocking (under editing).	Yes	Yes
ESI-102	Dealing with SF-6 installations (under editing).	Yes	Yes
ESI-103	Operate while bypassing the interlocks (under editing).	Yes	Yes
ESI-104	Selecting and cutting of high-voltage cables (under editing).	Yes	Yes
ESI-107	working on high voltage transformers (under editing).	Yes	Yes

Electrical safety Instructions (ESIs) General

Number	Title	NL	ENG
ESI-200	Determine extent and nature of supervision.	Yes	Yes

Forms

Number	Title	NL	ENG
FRM-001	Activities covered by a framework contract.	Yes	Yes
FRM-002	Pre-commissioning checklist for new or modified platforms and/or installations.		

From the KEB

Number	Title	NL	ENG
TIB-001	Assignment of grid components stations and connections.	Yes	No
TIB-006	Frequency and content of inspections in accordance with NEN3140.	Yes	No
TIB-012	Frameworks and conditions of a work plan.	Yes	No
TIB-025	Procedure for giving guided tours of HS stations.	Yes	No
TPA-001	Working methods for issuing an ONB.	Yes	No
IV-plein	Incident and fault reporting 12 hours, 24 hours and 5 days reports.	Yes	No
TFRM-005a	Template for framework assignment working in E-rooms.	Yes	Yes
TFRM-013	Punch list for new build and modification.	Yes	No
TFRM-016	Template for user's test (GBT).	Yes	No
TFRM-021	Checklist cable connections.	Yes	Yes
